### THE STATE OF NEW HAMPSHIRE

(L. S.)

To the inhabitants of the Town of Hampton Falls in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Hampton Falls on Tuesday, the eighth day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same.

3. To see if the Town will vote to adopt the Non-Partisan Ballot.

4. To see if the Town will vote to paint the Town Library and raise and appropriate money for same.

5. To see if the Town will vote to print the Valuation and raise and appropriate money for same.

6. To see if the Town will vote to raise and appropriate for economic advancement of the Town through the publicity and promotional service of the Seacoast Regional Development Association the sum of Ninety Eight Dollars (\$98.00).

7. To see if the Town will vote to raise and appropriate the sum of Two Hundred Thirty One Dollars and Nineteen cents (\$231.19), the State contributing Nine

Hundred Twenty Four dollars and Seventy Five Cents (\$924.75) to be spent as Town Road Aid. (T.R.A.)

8. To see if the Town will vote to purchase a fire truck, together with the necessary equipment therefor, at a cost not to exceed \$7,200., and to appoint a committee consisting of the Selectmen and three other legal voters to purchase the same, and to vote to raise and appropriate the sum of \$1,200.00 by taxation, and to borrow the sum of \$6,000.00, and to issue notes of the Town of Hampton Falls in the principal amount not exceeding \$6,000.00 in accordance with Chapter 72 of the Revised Laws of 1942 as Amended, payable exclusively from funds to be raised from taxation, interest payable semi-annually, principal payable in equal annual installments of \$1,000.00 per year, the first installment being due one year from date of said notes and all other matters in connection with said notes to be left to the discretion of the Selectmen. 50 Signers.

9. To see if the Town will vote to authorize the Selectmen to make such arrangements as they deem desirable and proper with the Hampton Falls Volunteer Firemen's Department. Inc. to care for, maintain and operate the fire truck, but such maintenance and operation shall be at the expense of the Hampton Falls Volunteer Firemen's Dept. Inc. 50 Signers.

10. To see if the Town will vote to give the Selectmen power to borrow money in anticipation of taxes.

11. To see if the Town will vote to give the Selectmen authority to sell any property acquired by tax sale.

12. To see if the town will vote to transact any other business that may legally come before this meeting.

Given under our hands and seal this twelfth day of

February, in the year of our Lord nineteen hundred and forty-nine.

WILLIAM W. MARSTON,  
JAMES H. THURLOW,  
WALLACE H. BATCHELDER,

Selectmen of Hampton Falls.

## LIBRARY REPORT

---

To the Selectmen of Hampton Falls:

In January 1948, the Library acquired the most recent edition (1946) of the Funk and Wagnalls Unabridged Dictionary through the generosity of the Parent-Teacher Asociation. A stand for the dictionary, given by Mr. and Mrs. Dalton Boynton was beautifully re-finished without charge, by Mr. C. A. Newcomb. In November the National Encyclopedia (1932) a ten volume set, was donated by Mr. Hervey Kent of Hampton Falls. The largest single gift of books to the Library since its reorganization in 1947 came in the autumn when the bequest of the late Miss Alice Brown of her entire personal library was received. This gift of over 500 volumes has greatly enriched our shelves.

The Furnishings Committee have purchased a rug for the floor which was paid for by donations. Five new chairs have been given by friends of the Library during the past year.

EDWIN L. JANVRIN,  
LAURA G. WADLEIGH,  
VIRGINIA DOWNER,

## PROGRAM COMMITTEE REPORT

---

February 7, 1949

To Chairman of Library Committee:

The program committee planned programs from May until November. These consisted of various educational programs.

The committee found it necessary to discontinue the programs during the winter months because of the heating of library.

Respectfully submitted,

FRANCES M. KIELY, Chairman.

## REPORT OF CATALOGUING COMMITTEE 1948

---

The Cataloguing Committee met at the Library 22 times during 1948. Over 200 hours were spent in cataloguing. In September all volumes of fiction and non-fiction had been catalogued and arranged. In October several hundred volumes from the library of Miss Alice Brown which were left to Hampton Falls Library by the will of Miss Brown, were received and work on these was well advanced when the work was stopped on account of cold weather.

### THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Hampton Falls qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the fifth day of March, 1949 at 4 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agent of the district.
3. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
4. To choose Agents and Committees in relation to any subject embraced in this warrant.
5. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of statutory obligations of the district, as determined by the school board in its annual report.
6. To see if the district will authorize the school board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the Federal Works Agency, or other U. S. Government or State Agencies.

7. To see if the school district will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting, and to make an appropriation to cover the expense of such audit.

8. To see if the district will authorize the school board to study the feasibility of the Hampton Falls school district becoming a member of a cooperative school district, request the State Board of Education to assist in the preparation of a plan for the proposed cooperative school district and prepare a complete report to the school district for presentation at either a special meeting called in accordance with New Hampshire Revised Laws, Chapter 139, or at the next annual school district meeting.

9. To see if the district will vote to authorize the school board to purchase a school bus for the transportation of pupils, through the facilities of the State Purchasing Agent.

10. To take up any other business that may legally come before this meeting.

Given under our hands at said Hampton Falls this 25th day of January, 1949.

ELIZABETH G. WALL,  
ELIZABETH C. MERRILL,  
ROBERT G. PERFECT,

## REPORT OF SCHOOL BUILDING COMMITTEE

---

In view of the fact that the cost of the proposed new school building was above our appropriation it was voted at the March School meeting that the money be placed in savings banks until such a time as prices would come within this amount. This was done and the money at present is divided among nine banks and is drawing 2 percent and  $2\frac{1}{2}$  percent interest.

At a meeting of this committee on January 29 we were informed by Mr. Hersey of Durham that prices were beginning to decline and he felt sure that we would be able to build the school building during the coming year and have it ready for school in the Fall.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Board of Hampton Falls:

The current school year began Wednesday, September 8, 1948, with an initial enrollment of forty pupils, seventeen in the upper grades and twenty-three in the primary room. Twenty pupils are registered in the Hampton Junior High School and twenty-four in the Senior High School. Six pupils are also enrolled in Exeter and Sanborn Seminary.

The small towns are constantly allowing some of the talent developed locally to move to the larger cities despite the fact that the small town offers many opportunities for young people. It would seem that the pupils in our schools should know what the local community has to offer them. The schools, even in the lower grades, should develop a greater interest by school children in their own town. To this end it is suggested that definite time be allotted in the school program for the study of local history, — the story of its founding, landmarks, folklore and special events of interest. Also included in the work should be the story of how our people now make a living together with the advantages of working in the town. The question, as to what the town now does to benefit its citizens would prove of value in stimulating future participation in government officers. The development of an interested and active citizenry will surely react to the benefit of any town or city.

Since such a program is not now available in suitable form for children, the information must be brought together and evaluated before presented as school work. Would it not be possible for a group of interested citizens to work with the teachers in formulating an outline as

guide for this study? Any citizen who is willing to help should contact the teachers in order that a committee may be formed.

The schools of Union 21 united with those of the Exeter Union to hold a workshop for the teachers during the week of November 15 to November 19, 1948. These five days were spent for "in-service" training. The state supervisors were in charge and brought to us the latest and most approved methods of presenting subject matter. The first two days were under the direction of Dr. Gertrude Lewis, Director of Elementary School Services for the New Hampshire State Board of Education. She discussed the social studies of the elementary school, outlining the entire program and helping solve many of the problems found by teachers in their daily work. It was literally a workshop in which teacher committees worked on definite problems and arrived at their own conclusions based upon modern practices.

The last three days of the week were in charge of Dr. Lura Bruce, State Supervisor of Health, and Miss Grace E. Felker, director of Physical Education. A critical study of the health program was made. Ways of guarding the health of our children both in school and out, of preventing accidents and of controlling infection were considered. The proper use of the playground as well as of the school room for physical development was explained and illustrated. These work shops were held in the majority of the districts of the state. Those who did not receive their services will be offered them next year.

A further indication of the professional interest of our teachers is the number who are taking educational courses outside of school hours. Mrs. Batchelder has completed for credit the course in remedial reading at Newburyport of which Dr. Murphy of Boston University was the instructor. By means of these programs our teachers

are kept in touch with the most favorable methods of meeting and continually enlarging demands made upon the schools.

Hampton Falls children should have the benefit of a hot lunch at noon, especially so since all the children are now transported. The federal government does not now help pay for equipment but it does help toward the cost of food and service. Frequently local organizations of interested citizens will furnish the equipment necessary. The participating schools also benefit from surplus food sent in by the Department of Agriculture. By this program pupils are assured of a hot balanced meal each school day. Experience in other schools has shown that the children feel better and work more efficiently than previously. Meals may be prepared in the building, if equipped, or they may be prepared outside and brought into the school. In either case the federal government insists upon a complete balanced meal at small cost to the pupils. I bespeak your earnest consideration of such a plan for Hampton Falls.

Your children are now comfortably housed in Dearborn Academy. Space for some phases of modern education is lacking, however. Social activities should be a part of the school program. Pupils may be studied while active in physical education programs. The unsocial child is readily found while at play. The child who is mal-adjusted or who is over-sensitive can best be helped in the informality of the recreation period. As a laboratory for child study, the assembly, the group activities and physical exercises of an assembly hall are valuable.

The scholarship of the children is being proven by standardized tests given each year. Such tests find the work of the school to be well up to the standard of the country as a whole. For this faithful teachers and an interested school board are responsible.

Hampton Falls School District during the current year received a State Aid check to the amount of \$2,372.98. This has helped to meet the increased costs of books and supplies, transportation and improvements in the school plant. If the legislature continues the present system a like amount will be available next year.

Respectfully submitted,

ROY W. GILLMORE,

Superintendent of Schools.

January 3, 1949.

## REPORT OF SCHOOL NURSE

---

Physical examinations were completed by Dr. Coleman.  
Report as follows:

	Number of cases	Corrections
Nutrition	2	2
Hearing	1	1
Skin (acne)	1	1
Posture	4	4
Teeth	1	31
Tonsils	13	1
Cervical glands	7	1
Vision	0	3
Number of contagious diseases:		
Skin diseases (impetigo)		3
German measles		1

The audiometer test for hearing was given to all children.

The dental clinic was held at the office of Dr. Pierson in Hampton.

A pre-school clinic was held at the school in June 1948. Dr. Coleman was in attendance. Vaccinations were done at this time.

Tuberculin skin tests were given to all children and teachers.

School visits are made one half day each week. In cases of epidemics, added visits are made.

Children are weighed and measured at the beginning and end of the school year. Inspections are made of skin and hair. Eyes and ears are examined.

Home visits are made in case of sickness. Fourteen visits were made to the homes and 44 visits to the school.

At this time I would like to thank the Red Cross who have always so generously contributed to correcting the defects of underprivileged children.

Respectfully submitted,

DOROTHY E. LINDSEY, R. N.

## REPORT OF FOREST FIRE WARDEN

---

Your local organization to prevent and extinguish brush and woods fires is glad to report a good year of forest protection in 1948. In spite of danger conditions nearly equalling at times those of 1947 when great losses were suffered in New Hampshire and New England, fire damage and loss this year have been gratifyingly low.

With the continuing cooperation of all the people, we can hope to have another successful year in 1949. Let us remember that in any year, over 90 percent of all fires are caused by carelessness and that all of these man-caused fires are preventable.

Today, we have more slash and uncut grassland than for many years in the past. Smokers, campers and tourists who use our outdoors are also more numerous than ever before. We must therefore be ready for fires which might occur but, above all, prevention by everyone is the greatest need.

A few simple precautions taken by every citizen will help, as follows:

- (1) Always get a written permit from the warden before kindling a fire outdoors when the ground is not covered with snow.
- (2) If you smoke, always extinguish matches and tobacco before dropping or throwing them down. In automobiles, always use the ash trays.
- (3) Report fires and smokes to the warden without delay.

The observance of these and other simple rules will go far to insure safety from fire damage and your cooperation in this way is earnestly solicited.

## 1948 FIRE RECORD

Acreage Burned	None
Number of Fire Permits Issued	Eleven

Respectfully submitted,

MERTON A. WEBBER,  
District Fire Chief.
